

Lockdown Policy and Procedure

Kids Club Ely Ltd & St John's Preschool recognise the potentially serious risks to children, staff and visitors in emergency or harmful situations. Lockdown procedures should be seen as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety of children and staff (including volunteers and visitors) in the setting. Our procedures aim to minimise disruption whilst ensuring the safety of all children and staff.

A lockdown may take place where there is a perceived risk of threat to the Kids Club, preschool, our staff, children, visitors or property, including:

- a) An intruder on the setting site;
- b) A reported incident/civil disturbance in the local community with the potential to pose a risk to children and/or staff;
- c) A warning being received regarding a risk locally of air pollution (smoke plume, gas cloud etc);
- d) A major fire in the vicinity of the setting;
- e) The close proximity of a dangerous dog roaming loose.

Lockdown procedures will be practiced from time to time so that staff and children are familiar with them.

Partial lockdown

Alert to staff: 'Partial Lockdown' - This may be as a result of a reported incident/civil disturbance in the local community with the potential to pose a risk to staff and children in the setting. It may also be as a result of a warning being received regarding the risk of air pollution, etc.

Immediate action: The manager will inform all members of staff and other users of the building of the partial lockdown; (1 long blow of whistle)

- All children and staff outdoors will be brought inside;

- Staff and children to stay in the building;
- Staff members secure all external doors and windows;
- Head count of children and register taken;
- Free movement may be permitted within the building dependent upon circumstances;
- The members of staff expected at the setting will be informed of the situation;
- If the partial lockdown persists, parents/carers of children in session will be informed as soon as possible;
- Arrangements for collecting children will depend on the situation and will be relayed to parents/carers by our staff team.
- All situations are different; once all staff and children are safely inside, the manager or person in charge will conduct an ongoing risk assessment based on advice from the emergency services. This can then be communicated to staff and children.

Partial lockdown is a precautionary measure but puts the setting in a state of readiness (whilst retaining a degree of normality) should the situation escalate. Emergency services will advise as to the best course of action in respect of the prevailing threat.
